

BDI Event

AI, cyber security round table discussion

OE-BDI / DOSZ-MTO / DOSZ
community event

 **Date & Time:** March 27, 2026, 17:30 PM – 21:00 PM

 **Location:** OE Bánki József körút 6 J200

Program

- Expert Roundtable
- Networking
- Guest Demos

We are hosting a **Student Demo Zone** as a side event to our professional roundtable discussion:

- **What can you bring?** Anything related to cybersecurity, AI, networking, or ethical hacking: a custom-built hardware tool, an interesting software solution, or a pentest lab demonstration.
- **What we provide:** We will provide a desk, power supply, and a monitor if needed. You only need to bring your own equipment (laptop, target device, etc.).

Meeting Point

- Registration: 17:30 – 18:00 (Opening of on-site demos)
- Start: 18:15 (Roundtable discussion)
- Venue: Óbuda University, Room NJ200 (Blaha Lujza tér)

Note:

The event is **free of charge**, and all participants will be fully supported to ensure a safe and enjoyable experience.
